Dated October 1885.

No: 5714 En 1.

To,

The Secretary to the Dewan
of Mysore.

Sir,

I have the honor to forward copy of para 1 of docket no: 1839. dated 17th September 1885, from the Comptroller, and to state that it was recommended in my letter no: 7166/182 dated 30th June 1884 that the Abkary Daroga should be allowed two peons. In reply Proceedings no: 3556/183 dated 9th September 1884 was received, but it is silent with regard to the retention of peons. Sanction to the appointment of one peon had however been accorded in the Proceedings (no: 2408-9/132) dated 18th July 1884, which was received previous to the above reference.

2. It is absolutely necessary that the Daroga should have two peons as the area to be inspected by him is very extensive

extensive. Considering this and trusting that my recommendation for the retention of the other peon also met with approval of the Government his pay was drawn up to the end of August 1885 to which the Comptroller has since raised objection. I therefore request that you will be good enough to obtain the formal sanction of the Government for the appointment for the other peon, who has been actually working under the Daroga.
